East Granby, CT January 5, 2010– Insuritas, the nation’s leading provider of outsourced insurance agencies, today announced that has been selected to provide Wisconsin based Stephenson National Bank and Trust with its turnkey outsourced insurance agency solution.

Through this cost-effective outsourcing service, Insuritas enables banks and credit unions to own a complete insurance agency without the significant capital investments required to build or buy an agency. Financial institutions leverage Insuritas’ proven, end-to-end insurance agency solution, featuring a comprehensive offering of all major insurance products including the high-demand personal and commercial lines insurance that are used by 100% of the bank’s or credit union’s customers. This turnkey insurance distribution solution includes sales professionals and successful sales strategies, ongoing access to insurance industry experts, and complete back-office services including billing and claims processing.

According to Randy McCauley, SVP of Stephenson National Bank and Trust, “We were strategically committed to providing our customers with a full-service insurance agency where we wanted to own the agency and the entire book of business. The Insuritas outsourcing solution enables us to accomplish both of these objectives without the traditional costs and without the operational risks of building or buying. Leading insurance carriers will provide the insurance products and assume the underwriting risk and full responsibility for the policy benefits. Insuritas’ insurance professionals, who will staff our agency, Stephenson National Insurance Services, will facilitate the entire sales process directly with our customers; and we own the entire book of business, including our customer relationships, the policies sold and ongoing renewals.”

Jeffrey Chesky, president & CEO of Insuritas, said, “Our insurance agency outsourcing solution will enhance Stephenson National Bank and Trust’s fee income, competitive position and deepen its customer relationships with insurance products that feature the best combination of price, convenience and selection. Stephenson National Bank and Trust’s decision to partner with Insuritas will maximize its operating flexibility, enable its internal resources to remain exclusively focused on its core competencies, and expedite its speed-to-market with competitive insurance products.
