INSURITAS PARTNERS WITH CAREINGTON TO LAUNCH HEALTH AND LIFESTYLE SAVINGS PLANS FOR INSURITAS CLIENTS

– Insuritas *Insurance Aisle Management Outsourcing* adds new products -

Hartford, CT December 15, 2008 – Insuritas, the nation’s leading provider of outsourced insurance agencies, today announced that it has selected **Careington** International Corporation to provide a comprehensive suite of health and lifestyle savings plans to its financial institution insurance agency clients.

Jeffrey Chesky, president & CEO of Insuritas, noted, “With today’s economy, many of our bank and credit union clients were asking for ways to offer their customers high quality dental and vision care at an affordable cost. After a national search, we selected **Careington** to provide a range of savings plans that feature discounts on dental, vision, prescription, hearing, legal and tax services. We are very excited to team with **Careington** to deliver these new plans to consumers who might have thought these benefits were not a possibility for them and their families.”

Careington's savings plans are not basic health insurance or a substitute for health insurance. The dental, prescription, vision, hearing, legal and tax assistance will be provided through an extensive network of nationwide providers.

- Dental services at over 76,000 dental practices nationwide through the Aetna Dental Access[®] Network, one of the largest, most recognized discount dental networks in the nation. Dental plan savings average 15% to 50% on everything from general dentistry and cleaning to root canals, crowns and orthodontia.
- Prescription discounts of 15% off brand name and 40% off generic drugs through Agelity.
- Vision discounts including exams, eyewear and LASIK services at 40,000 nationwide providers.
- Hearing care discounts through HearPO, discounted tax preparation services from Tax Rite and discounted legal services through Legal Club of America.

“We are thrilled to partner with Insuritas,” said Chuck Misasi, Senior Vice President of Sales and Marketing, **Careington**. “These plans will allow consumers to better bridge the supplemental health care benefit gap, and financial institutions are ideal outlets for consumers to purchase a savings plan locally. Our association with Insuritas allows us to offer affordable protection directly to individuals, without relying on employers or third parties, so that consumers can take control of their own medical choices.”
